

**Summer Holidays Homework**  
**Session – 2024-25**  
**Class – 2nd**

Dear Parents

Vacations are the most appropriate time for kids to refresh and rejuvenate themselves, to be creative, to learn new things and performance more enthusiastically.

Children have ample energy which should be channelized in the right direction to get the best out of them. We have designed holiday homework, keeping this in mind. It will build their confidence and new skills.

Hot sizzling summer reminds us of the time,  
To break free and bask in the warm sunshine.  
There's a burst of activities without minding the  
scorching heat, When friends are making merry  
and relishing the ice cream treat. So blend  
enjoyment with learning and introspection,  
To fetch glory and attain perfection.

**“Intelligence is the ability to adapt.”**

Knowledge is power and to impart it righteously to our children, we have carefully and meticulously designed the summer break assignment. It aims to create a spirit of enquiry, creativity and sensibility among the learners. It is vital to enable our learners to foster an outlook that helps them explore, discover and rediscover. Summer vacation is the best and fruitful time for learning and nurturing creativity. A variety of fun-filled activities and worksheets are given to be attempted during summer break. The major emphasis is laid on “Learning by doing”. Attempt the assignments neatly and beautify them by using your creativity.

Summer vacation is the time to learn and enjoy. So spend these holidays creating a nurturing and stimulating environment filled with fun, frolic and learning.

**Have A Enjoyable Summer Break!**

BE VOCAL

Different types of languages are spoken by people from different regions, but the most important thing is that any language when spoken should be spoken correctly. Since English is a universal language, spoken and understood by people all over the world, we want our children to be proficient in speaking it and for this we need full support and cooperation. We would appreciate if you adhere to the following points:

1. Speak to your child in English. Encourage reading habits.
2. Read out story books and after finishing the story discuss it with your child.
3. Encourage Word Building and Picture Talk.

The teachers are trying to encourage the children to use simple words, phrases and sentences like: -

- May I go to play?
- May I borrow your pencil / eraser / sharpener?
- I have finished my work.
- Madam, may I go to the washroom?
- Madam, may I go to drink water?
- Madam, may I come in please?
- Madam, may I go to wash my hands?
- Madam, may I sit in the front row as I can't see from the back?
- Madam, please repeat the concept as I'm unable to understand it.
- Madam, I have lost my shoes / blazer / tiffin box / water bottle etc.
- Madam, I came late as I missed my bus.
- Madam, I'm sorry. I have forgotten to bring my book, note-book, pencil / eraser / drawing book.
- Madam, may I borrow a pencil / eraser / ruler etc. from my partner as I've forgotten to bring it today.
- I am sorry for the delay.
- Could you please shut the door?

Use of magic words like excuse me, sorry, thanks, please.

- When asking for something, say "Please."
- When receiving something, say "Thank you".
- If you need to get somebody's attention right away, the phrase "excuse me" is the most polite way for you to enter the conversation. • When you have any doubt about doing something, ask permission first. It can save you from many hours of grief later.
- When you have spent time at your friend's house, remember to thank his or her parents for having you over and for the good time you had. • Knock on closed doors and wait to see if there's a response before entering.

Children can be encouraged to use simple words and sentences at home also. For example –

- Mummy, can I help you in the kitchen?
  - Mummy, can I lay the table today?
  - Mummy, should I help you wash the dishes today?
  - Papa, can I help you wash the car?
  - Grandma, should I help you in your work?
  - Mummy, can I get you a glass of water?
  - Papa, I'm sorry I was rude to you.
  - Papa, please teach me how to ride a bicycle.
  - Mummy, should I cut the salad today?
  - Mummy, can you teach me to make cold coffee please? • Didi, can you help me find my English notebook?
  - Wishing people properly – Hello Uncle / Aunty how are you?
- Wishing parents and elders - Good Morning, Good Afternoon, Good Evening and Good Night.

If we, as teachers and parents make a sincere effort and pay attention to the above-mentioned points,

We can help our children to learn, to understand and speak English at an early age.
